# Person-centred Cultures: A FoNS Development Programme

## The FoNS Person-centred Cultures Development Programme 2025: Open for applications

We are delighted to call for applications for this unique programme designed to support clinical nurse and midwife leaders to develop person-centred cultures in the workplace.

The programme features in person and online learning blocks and is aimed at nurses and midwives who lead nursing and/or care teams at the point of care, who have a desire to create more person-centred workplace cultures for patients/ residents/ service users and staff.

Want to know more? Visit the [Person-centred Cultures Development Programme website pages](#) Not for you? Please share – it's the opportunity of a life-time!

Closing date 25 June 2025.

## Resilience-based Clinical Supervision in Social Care

The Nursing and Midwifery Council seeks to demonstrate that nurses, in whatever capacity, ensure they reflect on the care they give. Resilience-based clinical supervision Project Manager and Facilitator, Sue Hill, explores RBCS in social care in this blog.

[Read Sue's blog](#)

And don't forget our fully funded programme of RBCS available to nurses in social care in England.

## Nursing Now Challenge: Clinical Supervision

During this third and final session of the NNCGSI series, participants were encouraged to think about who they may need to influence and how to engage those people as they seek to introduce Clinical Supervision in their workplace. Speakers included our CEO Joanne Bosanquet and Resilience-based Clinical Supervision Lead and Facilitator, Grace Cook.

# World Autism Acceptance Month

Authentic designs and delivers training and resources for parents and carers, healthcare and mental health professionals, which is centred on creating a society where autistic people can authentically be themselves and thrive.

*We have two offerings for our friends and subscribers to help you feel more confident on your autism-affirming journey.*

**Short film:** World Autism Acceptance Month: So how do autistic people feel about it?

This six and a half minute film features autistic people expressing their feelings about this month, and what they want you to know.

[Watch the \*How do autistic people feel about World Autism Acceptance Month\* film on YouTube](#)

**On-demand Webinar:** What does it mean to be autism-affirming?

A free on-demand, pre-recorded webinar, on the topic of 'What does it mean to be autism-affirming'?

### NHS Wales Supervision Hub

We were pleased to be asked to share Tommy Carr's Supervision Hub on the NHS Wales website (open access). It uses the four functions of supervision from the A-EQUIP model as an overarching framework from which to understand supervision

regardless of professional background or role, with a particular emphasis on RBCS within the 'Restoring' function. Thanks for sharing Tommy!
